

Dalla Corte Studio

Professional espresso machine
for home use.

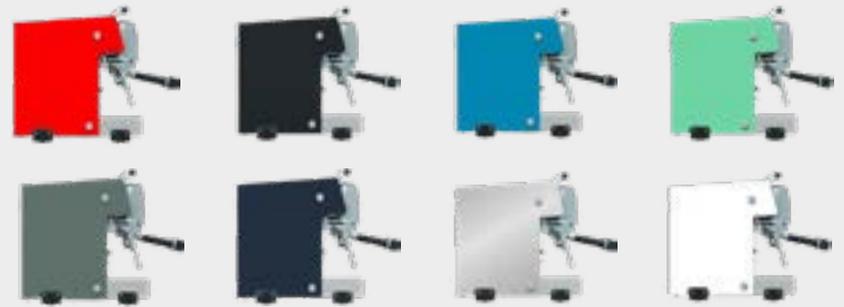

Espresso like a real pro, but at home!

*Compact,
accurate, and
efficient. Dalla
Corte Studio
is an espresso
machine of the
professional class,
whose small
format and built-
in water tank
make it perfect
for your home.*

Customization:

Red configuration shown. Optional finishes available; prices may vary.

The digital display controls all parameters. Automatic on/off according to your schedule, an automatic and easy-to-use cleaning program, and the same boiler as on Dalla Corte's larger machines means that you can create coffee magic entirely on your own.

Advantages

- ♥ Digital display for ease of use
- ♥ 8 different colors available
- ♥ Barista kit included for easy getting started
- ♥ Automatic on/off scheduling
- ♥ Automatic cleaning program
- ♥ 54/58mm Portafilter
