

Sanremo Cube

Smart Coffee at your Fingertips

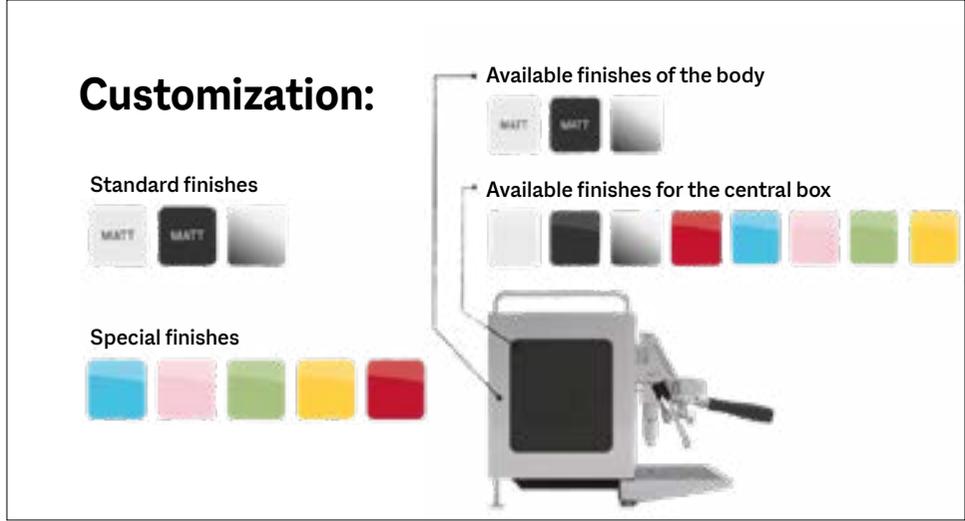

Small machine, big impact!

Following the footprints of the famous Café Racer, Sanremo introduced the new semi-professional one group model – Cube.

SANREMO

20

Mojo
home

Yellow A-configuration shown. Optional finishes available; prices may vary.

An object of desire, advanced technology and minimal design in the "Sanremo style" tradition. Thanks to the new colour palette and particular design of the side panels, Cube offers a great choice for use at home.

Advantages

- ♥ Digital display for ease of use
- ♥ Many different colors available
- ♥ Complete set of accessories
- ♥ WiFi connection with Web App
- ♥ Remote machine on/off
- ♥ Statistics of coffee and water consumption.
