

**Dalla Corte Max**

Maximum power, compact size.

# Beautiful from every angle.

*Compact, powerful, and completely customizable, Max might be more than you bargained for. The perfect counterpart to Dalla Corte Mina or Studio.*

## Customization:

- |                  |               |                    |
|------------------|---------------|--------------------|
| ● Blackboard     | ● Yellow      | ● Navy Blue        |
| ● Blaze Red      | ● Mint Green  | ● Glass            |
| ● Ice Blue       | ● White       | ● Coffeerama Gloss |
| ● Dark Earth Oak | ● Moon Grey   | ● Country Blue     |
| ● Country Green  | ● Venice Wood | ● Light Oak        |
| ● Wood Veneer    |               |                    |

Yellow and Blackboard configuration shown. Optional finishes available; prices may vary.

Automatic detection of single or double dose. Grind adjustment with a variation of 0.01 mm of distance between the burrs. The encoder's handgrips allow you to adjust grinding time effectively and have complete control over coffee. Customize your Max: besides its standard yellow, it can be configured in a wide range of different colours and materials.

## Advantages

- ♥ Compact and easy to place
- ♥ Powerfull and reliable
- ♥ Design in the same style as Dalla Corte Mina and Studio
- ♥ 16 different colors available
- ♥ Unbelivebly quiet
